DONATED SERVICES NEEDED

Printing Services

Every dollar that Lapeer County Habitat for Humanity has to spend on equipment and supplies is one dollar more that could have been spent to build another home within Lapeer County for a family in need. By fulfilling the items on our list, you enable us to build more homes for families that really need it. Through your donation of goods, services or monetary contributions you become an integral part of building more homes for families in need. Please consider helping us by donating some of the items on our list.
